PREFACE.

We present to our patrons and the general public this edition of the New Bedford and Fairhaven Directory, No. 31 in the series. We hope it will meet every reasonable expectation. It is scarcely necessary to state that the difficulties and expense attending the compilation of this book are very great, and not to be appreciated by any one unfamiliar with the business.

Since 1862 we have made a specialty of compiling city directories and it has been our sincere purpose and earnest endeavor to do our work faithfully and well, in return we ask for the generous support of an undivided community? To the advertisers who *have* favored us in this edition we wish to call attention

Respectfully,

288 PURCHASE STREET, NEW BEDFORD, MASS.

STREETS, COURTS, AVENUES, ETC.

Giving the location of each street and showing what other streets run from or across, with the number at which they intersect.

The streets of New Bedford, with a few exceptions, are laid out north and south, and east and west. Those running north and south are numbered, commencing at Union street, and increasing each way, with the even numbers on the east, and the odd numbers on the west side. Those running east and west are numbered, commencing at the river, and increasing westerly, with the even numbers on the south, and the odd numbers on the north side.

The letters enclosed by parentheses, which follow the name of any street, signify the general bearing of such street from City Hall. Thus School street (S.) is *south* from the City Hall.

LOCALITIES OF INTEREST.

IN AND ABOUT THE CITY.

ACUSHNET. This is a village usually known as the Head of the River, about three and a half miles in a northerly direction from the City Hall. The westerly part is in New Bedford, and the easterly part in Acushnet. Pine Grove cemetery is near the village. The post office is in New Bedford.

BELLEVILLE. This name was many years ago given to a spot on the bank of the Acushnet river, about one mile south of the Acushnet village.

BUTTONWOOD CYCLE TRACK. Chepachet lane. A wood track of one-fourth of a mile for cycling meets.

BUTTONWOOD PARK. End Court, cor. Chepachet lane.

CANNONVILLE. A portion of the westerly part of the city, in the neighborhood of the meeting-house on the Smith's Mills road, is known by this name, thus called in honor of one of our deceased citizens, whose labors in behalf of the people there, will long be remembered.

CITY COMMON. This beautiful spot is in the north part of the city, and is bounded by County, Purchase, Pope and Pearl streets. A very handsome monument, erected by the city, at a cost of about $13,000, as a memorial to the soldiers and sailors who lost their lives during the war of the Rebellion, is located here.

CLARK'S POINT. This point forms the southerly part of the city. It has the waters of the Acushnet river on the east, and of Clark's Cove on the west. Its length is about two miles. At its southerly extremity on the river side is a large tract of land belonging to the United States; at the extremity of the point, the government has erected an extensive fortification to which the lighthouse has been removed. Around this point, a distance of about four miles, is a road not surpassed by any public drive in this country. It is called West French avenue, commencing at Cove street (at the Orphan's Home), and follows the shore thence along the western, southern and eastern boundaries of the point,

until it terminates in the street, where it has its beginning. It is eighty feet wide, smooth and level, and in its course commands a series of views of surpassing loveliness and beauty. The cove, the bay, the river. the shores, the islands and ledges, the lighthouses, steamers and sailing craft of every description, the city on the one side, its sister town of Fairhaven on the other and the noble bridge between, constitute a series of views which render a ride or a walk over this road most delightful and attractive. The City Farm and Almshouse is located on Clark's Point. The fort at the point is the only one in the country without a name.

CLIFFORD. A post office about three miles north of Acushnet.

CRAPO PARK. On Hickory, Ward and Clay streets. Not officially named, and subject to change.

DOGFISH BAR. The collection of houses near the foot of Coggeshall street is often called by this name, which designates a shoal in the river near by. A bridge crosses the river at this place for Fairhaven.

"DOWN TOWN." The section bounded by Union, Sixth, Elm and No. Water streets may be regarded as the business centre.

FOUR CORNERS. The space formed by the intersection of No. Water, So. Water and Union streets. This has been a somewhat noted spot in our local history. Near this was erected the first village house, and it was long regarded as a business centre.

GERMANTOWN. The vicinity of Church street, first settled mostly by Germans.

HOWLAND VILLAGE. End Bolton road and Orchard street, S. This is a very creditable village of houses owned by the Howland Mills Corp.

JESSEVILLE. Part of Mt. Pleasant and its eastern slope, near Ashland and Linden streets. Named for Jesse Reynolds, a former resident.

KENERSONVILLE. West of Purchase street, from Clark, to Cedar Grove street. Named for one of the first settlers.

MARSH (THE). The low district east of So. Water and south of Howland street.

MOUNT PLEASANT. That portion of our city known by this name is in the northwest part, commencing at Robeson street. Here are some beautiful private residences, and the view which includes the river, the harbor, the bay, and adjoining shores, villages and islands, is one of the finest in the country.

NEW CITY PARK. Acushnet ave. near Howard ave.

NORTH END. Purchase street, north of the Common. Since 1878 has become an important business locality.

OAK GROVE CEMETERY. Parker street, beyond Park, in the west part of the city, containing 26 acres. A pretty well kept place.

OLYMPIC FIELD. Chepachet lane, where base ball and other sports take place.

RIVERSIDE PARK. Foot of Phillips ave. next Acushnet river.

RIVERVIEW PARK. On Acushnet ave. south side of Nash road.

ROCKDALE. Is about one mile north of Cannonville, on Rockdale avenue. The only quarry of any size near the city, is located here.

SHAWMUT. This is a small village located four miles northwest of City Hall. Evergreen Trotting Park is located here. Until the recent establishment of its post office, it was known as Plainville.

SMOKING ROCKS. A rocky point on the river near Palmer's Island, where it is said the Indians held council fires. Now on the Potomska Mill premises.

TOBEYS POND. A beautiful sheet of water of about 60 acres, in the extreme northern part of the city. Its surface is 92 feet above the level of the city. Sometimes called Sassaquin's pond, from an Indian who lived near it.

TURNERVILLE. Vicinity of Shawmut ave. and Durfee street. Named for an early settler.

WINTERVILLE. The name given to a small collection of houses at the west of Rural cemetery, on Winterville road. At one time this was quite a flourishing settlement, but is stated to be about one half as large as it was in 1868, owing to the lack of road communications. Added to New Bedford from Dartmouth in May, 1888.

WOODLAWN. The name generally given to Sears Grove, on French ave. half a mile south of the Orphan's Home.

*Private boxes, for fire on premises only.

Police call: 2-22 struck four times. Police will assemble at Station One.

Military call: Ten blows struck twice. Co. E. 1st Regt., will assemble at Armory

No School Signal: Two blows in succession, struck twice, at 8.15 a.m. and 12.45 p.m.

INSTRUCTIONS TO KEY HOLDERS.

Alarms to be given from the box nearest the location of the fire.

Do not give an alarm for a fire seen at a distance.

To give an alarm, open the door, pull the hook to the bottom of the slot once, and let go.

After giving an alarm, remain or leave some one at the box to direct the firemen to the fire, and see that no one interferes with the box.

Do not pull the hook a second time, or allow any one but an officer to do so.

Never open a box except to give an alarm.

The locks are trap locks, and you cannot take out your key until the arrival of a fire engineer with a master key.

GENERAL INSTRUCTIONS.

In case of a call from Fairhaven for assistance, Engine No. 2 will respond, and no other apparatus without special orders.

Should an alarm be given from any box, except box 3, while a portion of the department is engaged at the fire, the return call not having been given, the two engines, one truck, and hose companies nearest the box, will respond.

All second and third alarms will be given by pulling the box in the usual way.

General alarms will be given by striking 21 twice, when the whole department will respond.

One blow following an alarm will indicate wire broken or burned off; in which case the companies responding to the second alarm from that box will respond the same as on a second alarm, but not lay hose without orders.

Companies responding to second and third alarms will get one round of box before leaving the house.

Two blows, relief.

FREDERICK MACY, Chief Engineer.

ITEMS OF INTEREST.

Fairhaven bounded on three sides by the waters of Acushnet river, Buzzard's and Little bays, is admirably situated to meet the wants of those desiring summer houses, as is shown by the increasing numbers who come each summer to avail themselves of the bays' cooling breezes.

This town, formerly a part of the town of Dartmouth, is honored by being the home of John Cook, the first white settler in this part of the State, and the last surviving Pilgrim that came over in the "Mayflower."

The town's early citizens, prior to and during Revolutionary times, were intensely patriotic and played an important part in those days on land and sea, to the confusion and defeat of their British enemies. After peace was declared, the energies of the people were directed toward the whaling industry, which was carried on untill the discovery of petroleum oil, since when the attention of its citizens has been given to manufacturing, farming and fishing.

A number of places of historic interest are found here, notably Fort Phœnix, which was built during the Revolutionary war, and which proved to be a tower of defence to the people on both sides of the river. The great natural beauty of its situation, the thousands who gather here to enjoy the sea breezes, all combine to render this place the most attractive of any in this vicinity.

The old Indian Burial Ground on Little bay, now owned and protected by the State of Massachusettes.

The spot near the old town farm where John Cook built and commanded his garrison during the war of the Revolution.

The old cannon at corner of Central and Main streets, which was captured from the British in 1777, at Nassau, by Fairhaven privateers.

The burial place of John Cook, at the north end of the town. A fitting memorial will be placed here ere long, through the efforts of the Fairhaven Improvement Association, which has the care of most of these objects of historic interest. The association has beautified the town by planting many shade trees, established a plant of 75 bathing houses, a drinking fountain for horses, conducts lecture courses, and looks after town improvements generally, including the care of Fort Phœnix alluded to.

The town of Fairhaven is fortunate in the generosity of former citizens, one of whom, Warren Delano of Newburgh, gave the town a beautifully appointed cemetery; while another, Henry H. Rogers of New York, has erected a costly school house, a free public library and a public Town Hall, all of the buildings being of architectural skill. The population of the town is nearly 3,500.

Prescriptions carefully prepared by a competent druggist. The undersigned respectfully calls the attention of the citizens of New Bedford and Fairhaven to his well-selected stock of DRUGS and CHEMICALS. I am fully prepared to meet the wants of a first-class Drug Store.

Sole proprietor of Snow's Sarsaparilla, Celery and Chamomile Co. Snow's Sure Cure for Diphtheria. Snow's Headache Powder, a fifteen minute cure. Snow's Tonic Bitters. Snow's Kidney and Liver Cure. Snow's Fig Syrup. Snow's Pectoral Balsam. Snow's Wine of Tar, Etc.

A witching charm pervades the thing beyond our eager grasp,
We throw away the prizes for those we cannot clasp,
All day we sigh for something that escaped us at the dawn,
And the best part of life's story is the leaf thats torn and gone,
You may search the whole creation all over, near and far,
You wont find a Cough Balsam like Snow's Wine of Tar
'Tis good and 'tis pleasant, a bad taste it has not got,
'Tis certain to cure you—we know it—"that's what."
